Sponsorship Opportunities

Anchorage Youth Soccer Club is a Non-profit soccer club that was created by an Alaskan Family in 1986. We are proudly celebrating over 30 years of teaching soccer to boys and girls ages 3-18 years old in the Anchorage community. Our mission aims to develop a well-rounded athlete by having quality coaches and a positive environment.

Since its inception in 1986, AYSC has helped thousands of kids develop lifelong skills, not only in soccer, but in learning the importance of healthy living, the development of self-confidence. In 2019 AYSC was invited to join the MLS Portland Timbers and the NWSL Portland Thorns FC as an official Alliance Club to share information, resources, a player pathway, and playing opportunities for our Players.

We have four options of sponsorships available on a first come, first serve basis.
